

# Ever Since the World Began

## Survivor

I'll never know what brought me here  
As if somebody led my hand  
It seems I hardly had to steer  
My course was planned And destiny, it guides us all  
And by it's hand we rise and fall  
But only for a moment  
Time enough to catch our breath again And we're just another piece of the puzzle  
Just another part of the plan  
How one life touches the other  
Is so hard to understand Still we walk this road together  
We try and go as far as we can  
And we have waited for this moment in time  
Ever since the world began  
Taken in the times gone by  
We wonder how it all began  
We never know and still we try  
To understand And even though the seasons change  
The reasons shall remain the same  
It's love that keeps us holding on  
Till we can see the sun again And we're just another piece of the puzzle  
Just another part of the plan  
And we have waited for this moment in time  
Ever since the world began And I stand alone a man of stone  
Against the driving rain  
And the night, it's got your number  
And the wind, it cries your name  
And we search for clues, win or lose  
In this we're all the same  
The hope still burns eternal  
We're the keeper of the flame And we're just another piece of the puzzle  
Just another part of the plan  
How one life touches the other  
Is so hard to understand Still we walk this road together  
We try and go as far as we can  
And we have waited for this moment in time  
Ever since the world began
