

# More Than You Know

Eddie Vedder

More than you know  
More than you know  
Lately I find  
You're on my mind  
More than you know Whether I'm right  
Whether I'm wrong  
I need you so  
More than you know  
More than you know  
Loving you  
The way that I do  
There's nothing I can do about it  
And the little bit of love  
That I get may be all  
That you can give  
But I can't live without it Oh how I cry  
Oh how I cry  
If you got tired  
And said goodbye  
More than I'd show  
More than you'd ever, ever know  
More than you know More than you'd ever, ever know  
More than you know
