Drag Me Down (feat. Matty Mullins)

Our Last Night

I've got a fire for a heart
I'm not scared of the dark
You've never seen it look so easy
I got a river for a soulAnd baby you're a boat
Baby you're my only reason
I didn't have you there would be nothing left
The shell of a man who could never be his best
If I didn't have you

I'd never see the sunYou taught me how to be someone, yeah

All my life

You stood by me

When no one else was ever behind me

All these lights

They can't blind me

With your love, nobody can drag me down

All my life

You stood by me

When no one else was ever behind me

All these lightsThey can't blind me

With your love, nobody can drag me down

Nobody, nobody

Nobody can drag me down

Nobody, nobody

Nobody can drag me downI got fire for a heart

I'm not scared of the dark

You've never seen it look so easy

I got a river for a soul

And baby you're a boat

Baby you're my only reason

If I didn't have you there would be nothing left (nothing left)

The shell of a man who could never be his best (be his best)

If I didn't have you

I'd never see the sun (see the sun)

You taught me how to be someone

Yeah

All my life

You stood by me

When no one else was ever behind meAll these lights

They can't blind me

With your love, nobody can drag me down

Nobody, nobody

Nobody can drag me down

Nobody, nobodyNobody can drag me down
down...
All my life
You stood by me
When no one else was ever behind meAll these lights
They can't blind me
With your love, nobody can drag me down
Nobody, nobody
