

Heartbeat (feat. Nicole Scherzinger)

Enrique Iglesias

Heartbeat
Heartbeat heart-heartbeat
Heartbeat
Heartbeat
Heartbeat heart-heartbeat I saw you talking on the phone
And know that you were not alone
But you're stealing my heart away Yeah you're stealing my heart away
You're acting like you're on your own
But I saw you standing with a girl
Stop tryin' to steal my heart away Stop tryin' to steal my heart away
I don't know where we going
I don't know who we are
I can feel your heartbeat
I can feel your heartbeat
He said to me
I can feel your heartbeat Running through me
Feel your heartbeat
She said
I can feel your heartbeat
She said to me
I can feel your heartbeat
She said to me
I can feel your heartbeat Running through me
Your heartbeat, feel your heartbeat Maybe it's the way you move
You got me dreaming like a fool
That I could steal your heart away
I could steal your heart away
No matter what it is you think I'm not the kind of girl to blink
And give my heart away Stop trying to steal my heart away I don't know where we going
I don't know who we are I can feel your heartbeat
{he said to me}
I can feel your heartbeat {he said to me}
I can feel your heartbeat
{running through me}
Your heartbeat
Feel your heartbeat
She said
{I can feel your heartbeat} she said to me
{I can feel your heartbeat}
she said to me
{I can feel your heartbeat} running through me
Stop stealing my heart away

Stop stealing my heart away
Stop stealing my heart away
You're stealing my heart away I don't know where we're going
I don't know who we are
It feels like we are flowing
High above the stars
(stars, the stars, the stars, the stars...)
OoooooooOooooooo
Heartbeat, heart-heartbeat
I can feel it
I can feel it
I can feel it
I can feel it
I can
I can feel your heartbeat
{he said to me}
I can feel your heartbeat {he said to me}
I can feel your heartbeat
{running through me}
Your heartbeat
Feel your heartbeat
She said
{I can feel your heartbeat}
she said to me
{I can feel your heartbeat} she said to me
{I can feel your heartbeat}
running through me
{Your heartbeat}
feel your heartbeat-beat-beat
{Stop stealing my heart away}
Just tell it to me girl
{Stop stealing my heart away}
Ooo {Give it to me boy}
Stop stealing my heart away
Just say it to me girl
{You're stealing my heart away}
Stop stealing my heart away
(I can feel your heartbeat)
Stop stealing my heart away
(I can feel your heartbeat)
Stop stealing my heart away
(I can feel your heartbeat)
Your heartbeat, your heartbeat
