

# My Girl (Dancehall Queen Remix)

Wyclef Jean

Horns please  
Ladies and gentlemen  
Its the return of the carnival man  
Yaaaa... I know  
I shouldn't kept y'all waitin so long  
I know you miss me  
Well alright then, let's goMy girl, we've been through ups and downs  
The queen of my heart, the one with the crown  
My girl, when her clouds get grey she send me an emoji with a smiley face  
Sem seemo
