

# In Love and I Hate It

## A1

You are like the ocean  
And your drowning knee  
The sunrise casting shadow  
As far as I can see  
'Cause you're so bitter sweet[Chorus]  
I'm in love, I'm in love  
And I hate it  
I'm in love and so overrated  
What am I supposed to do  
I wanna be with you  
I'm in love, I'm in love  
I can take it  
I'm in love and feel so naked  
What am I supposed to do  
I wanna be with you I'm in love and I hate it  
Hate it, hate it [3x]  
I'm in love and I hate it  
I hate it Sometimes I feel spineless  
I can't stand up straight  
And sometimes I'm so stupid  
I make the same mistake  
But I can walk away[Repeat Chorus]It's the agony, It's the extasy  
And it's stolen me, And it's killin' me  
And it's killin' me  
I'm in love, I'm in love[Repeat Chorus]I'm in love And I hate it  
Hate it
