

# Fire in the Water

Feist

Love's the sweetest feeling  
Openly believing  
No matter what we find there  
Come back in through the eyes there  
Sole and born creation  
The lion's in the house  
Flowers are up in the air  
Crashing against the darkAh, ahah ah...Fire in the water  
Is the body of our love  
Nobody should see this  
The freeness of the lightAh, ahah ah...  
Fire in the water  
Is the body of our love
