

# Nothing On You

Bobby V

Don't it feel good? Fool me, love me, kiss me, touch me  
Treat me like I never did before  
Skip the bed, we gon' stay here on the floor The way you kiss me so softly, I get to love it  
Loving that we made, never felt it  
I don't want nobody else but you  
Girl, you do to me what the others can't do You're my heart, girl, soul, soul  
What? Oh no  
You're my heart, girl, soul soul  
What? Oh no  
These girls ain't got nothing on you  
Nothing on you, nothing on you, I swear it  
Ain't got nothing on you, nothing on you  
I don't care about the other girls lyin'  
Other girls tryin' to tear us apart  
No, they got nothing on you, nothing on you She needs me, wants me  
To love her unconditionally  
Never met a girl that's down like her before  
I got it all but we heard it's much more The way you kiss me so softly, I get to love it  
Loving that we made, never felt it  
I don't want nobody else but you  
Girl, you do to me what the others can't do You're my heart, girl, soul, soul  
What? Oh no  
You're my heart, girl, soul, soul  
What? Oh no  
These girls ain't got nothing on you  
Nothing on you, nothing on you, I swear it  
Ain't got nothing on you, nothing on you  
I don't care about the other girls lyin'  
Other girls tryin' to tear us apart  
They ain't got nothing on you, nothing on you The way you kiss me so softly, I get to love it  
Loving that we made, never felt it  
I don't want nobody else but you  
Girl, you do to me what the others can't do You're my heart, girl, soul, soul  
What? Oh no  
You're my heart, girl, soul, soul  
What? Oh no These girls ain't got nothing on you  
Nothing on you, nothing on you, I swear it  
Ain't got nothing on you, nothing on you  
I don't care about the other girls lyin'  
Other girls tryin' to tear us apart  
They ain't got nothing on you, nothing on you Nothing on you
