## Astronaut

Sunlight is not enough  
We could burn like a flame through the atmosphere  
Yeah  
Starlight, it's calling us  
Leave the ghosts of our past in the stratosphere  
Oh yeah yeah,  
It's calling usIt's calling usIt's calling usIt's calling us  
Sunlight is not enough  
We could burn like a flame through the atmosphere  
Yeah  
Starlight, it's calling us  
Leave the ghosts of our past in the stratosphere  
Oh yeah yeah
