

# Smoke and Mirrors

## Imagine Dragons

This is my word  
This is my way  
Show me a sign  
Sweep me away This is my word  
Heartbreaker, gatekeeper  
I'm feeling far away, I'm feeling right there Deep in my heart, deep in my mind  
Take me away, take me away  
This is my word  
Dream maker, life taker  
Open up my mind  
All I believe  
is it a dream  
that comes crashing down on me  
All that I hope  
is it just smoke and mirrors  
I want to believe ohh oh oh oh oh oh oh  
But all that I hope  
is it just smoke and mirrors All that I've known  
buildings of stone  
Fall to the ground  
without a sound  
This is my word  
Heart breaker, gatekeeper  
I'm feeling far away, I'm feeling right there  
I'm starting to cave  
I'm losing my flame  
I wanted your truth  
but I wanted the pain  
to disappear  
Dream maker, life taker  
Open up my mind All I believe  
is it a dream  
that comes crashing down on me  
All that I hope  
is it just smoke and mirrors  
I want to believe ohh oh oh oh oh oh oh  
But all that I hope  
is it just smoke and mirrors Believe  
I want to believe... All I believe  
is it a dream  
that comes crashing down on me  
All that I hope

is it just smoke and mirrors  
I want to believe ohh oh oh oh oh oh oh  
But all that I hope  
is it just smoke and mirrors
