Smoke and Mirrors

Imagine Dragons

This is my word

This is my way

Show me a sign

Sweep me awayThis is my word

Heartbreaker, gatekeeper

I'm feeling far away, I'm feeling right thereDeep in my heart, deep in my mind

Take me away, take me away

This is my word

Dream maker, life taker

Open up my mind

All I believe

is it a dream

that comes crashing down on me

All that I hope

is it just smoke and mirrors

I want to believe ohh oh oh oh oh oh

But all that I hope

is it just smoke and mirrorsAll that I've known

buildings of stone

Fall to the ground

without a sound

This is my word

Heart breaker, gatekeeper

I'm feeling far away, I'm feeling right there

I'm starting to cave

I'm losing my flame

I wanted your truth

but I wanted the pain

to disappear

Dream maker, life taker

Open up my mindAll I believe

is it a dream

that comes crashing down on me

All that I hope

is it just smoke and mirrors

I want to believe ohh oh oh oh oh oh

But all that I hope

is it just smoke and mirrorsBelieve

I want to believe...All I believe

is it a dream

that comes crashing down on me

All that I hope

is it just smoke and mirrors I want to believe ohh oh oh oh oh oh But all that I hope is it just smoke and mirrors Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
