Words

Hawk Nelson

They've made me feel like a prisoner They've made me feel set free They've made me feel like a criminal Made me feel like a kingThey've lifted my heart To places I'd never been And they've dragged me down Back to where I beganWords can build you up Words can break you down Start a fire in your heart or Put it outLet my words be life Let my words be truth I don't wanna say a word Unless it points the world back to You You can heal the heartache Speak over the fear (Speak over the fear) God, Your voice is the only thing We need to hear (We need to hear)Words can build us up Words can break us down Start a fire in our hearts or Put it outLet my words be life Let my words be truth I don't wanna say a word Unless it points the world back to You (Back to You) Let the words I say (Let the words I say) Be the sound of Your grace (Sound like Your grace) I don't wanna say a word Unless it points the world back to YouI wanna speak Your love Not just another noise Oh, I wanna be Your light I wanna be Your voiceLet my words be life Let my words be truth I don't wanna say a word Unless it points the world back to You (Back to You)Let the words I say

(Let the words I say)
Be the sound of Your grace
(Sound like Your grace)

I don't wanna say a word
Unless it points the world back to You
(Back to You)Words can build us up
Words can break us down
Start a fire in our hearts
Or put it outI don't wanna say a word
Unless it points the world back to You
