

# Come Back to You

## Crooked Colours

I missed you not giving everything to high  
But going out alone  
I won't turn my back, I won't look to the side  
In the shadows  
How's it feeling inside? Keeps on pulling to provide  
But won't I survive?  
I won't turn my back, I won't look to the side  
I won't crawl through the shadows  
Bring me downCut me loose  
I still can't quite  
Get over you  
I'm crawling home  
Bring me to  
I wish to  
Come back to you  
Whole body stoned  
Dive into  
I always do  
Crawl back to you  
How can't you see that I won't just run up high?Girl, let's watch the light  
I won't come back this time, keep an open mind  
Don't just watch me fly  
Bring me down  
Cut me loose  
I still can't quite  
Get over you  
I'm crawling home  
Bring me to  
I wish to  
Come back to you  
Whole body stoned  
Dive into  
I always do  
Crawl back to you  
I'm crawling homeBring me to  
I wish to  
Come back to you  
Whole body stoned  
Dive into  
I always do  
Crawl back to you  
Body stonedBring me to

I wish to  
Come back to you  
Crawling home  
Bring me to  
I always do  
Come back to you
