

Previously on Other People's Heartache...

Bastille

Previously on other people's heartache...

What would you do?

This is your heart...

This is the rhythm...

You can...

Hallejuja

Pumps through your veins, can you feel it?

Oh...

The night, oh yeah...

Her name was Londy, she went to Junior High with...

A tornado flew around my room...

Icarus is flying too close to the sun,

Icarus' life, it has only just begun,

This is how it feels to take a fall,

Icarus is flying towards an early grave...
