Back Where You Belong

(Gary O'Connor) I heard you're askin' how I'm feeling, I guess I'll play it day by day
I'm still around now, my heart is healing, but some things never gonna change 'Cause now I
know love ain't easy to find
I let you go, now I'm changing my mind I know that love, it don't come easy, it took so long, it's
been hard to find
So love, you must believe me, ain't gonna let it slip away
I know I was wrong, I want you back where you belong
Want you back where you belong, back where you belong I played around now, I've done some
dealin'
I found that love should be with you
And so you're gone now, my head is reelin', don't wanna be with someone new And so I go,
with a feeling inside me, 'cause I know what I'm leaving behind Want you back where you
belong, back where you belong (Solo) I guess in time I stop and think it over, everything that
we've been through
This heart of mine may never find another, it loves me just the way you do
Hey girl! I heard you're askin' how I'm feelin', I guess I'll play it day by day
I'm still around now, my heart is healin', but some things never gonna change
'Cause now I know love ain't easy to find
I let you go, now I'm changing my mind() - back where you belong, hey, hey I know that love, it
don't come easy, it took so long, it's been hard to find
And so love, you must believe me, ain't gonna let it slip away, baby
