

# Lost

## Delain

It seems we have lost  
Lay down your arrows  
They won't cause flaming hearts  
It seems we have lost  
We keep on running in different directions Never again  
The way you're turning all my wrongs to right  
Never again  
This one you can't deny  
Never again  
I wanted to reveal a softer side  
Never again  
Forgive me if I tried to do what's right  
I was only holding on  
to everything we've had so far  
I thought I was ready to let go  
But I'm not  
I was only holding on  
to everything we've had so far  
I thought I was ready but  
Now it seems, yes now it seems It seems we have lost  
Lay down your arrows  
They won't cause flaming hearts  
It seems we have lost  
Forget about your pride  
Forget everything, everything you're taught  
The way you're turning all my wrongs to right  
Never again  
This one you can't deny  
Never again  
I wanted to reveal a softer side  
Never again  
Forgive me if I tried to do what's right I was only holding on  
to everything we've had so far  
I thought I was ready but  
Now it seems, yes now it seems
