You Belong With Me (Taylor's Version)

Taylor Swift

You're on the phone with your girlfriend—she's upset
She's going off about something that you said
'Cause she doesn't get your humor like I do.I'm in the room, it's a typical Tuesday night.
I'm listening to the kind of music she doesn't like.

And she'll never know your story like I doBut she wears short skirts

I wear t-shirt

She's cheer captain

And I'm on the bleachersDreaming about the day when you wake up and find That what you're looking for has been here the whole time.

If you could see

That I'm the one

Who understands you

Been here all along

So, why can't you see

You belong with me

You belong with me? Walk in the streets with you in your worn out jeans

I can't help thinking this is how it ought to be.

Laughing on a park bench thinking to myself

"Hey, isn't this easy?" And you've got a smile

That can light up this whole town

I haven't seen it in awhile

Since she brought you down. You say you're fine—I know you better than that Hey, what you doing with a girl like that?

She wears high heels

I wear sneakers

She's cheer captain

And I'm on the bleachersDreaming about the day when you wake up and find That what you're looking for has been here the whole timeIf you could see

That I'm the one

Who understands you

Been here all along

So, why can't you see

You belong with me? Standing by and waiting at your backdoor.

All this time how could you not know, baby?

You belong with me

You belong with meOh, I remember you driving to my house

In the middle of the night

I'm the one who makes you laugh

When you know you're 'bout to cryI know your favorite songs

And you tell me about your dreams

Think I know where you belong

Think I know it's with meCan't you se that I'm the one

Who understands you?

Been here all along
So, why can't you see
You belong with me?Standing by and waiting at your backdoor.

All this time how could you not know, baby?

You belong with me
You belong with me
You belong with me
Have you ever thought just maybe
You belong with me?
You belong with me
