

# I HATE EVERYBODY

Halsey

I'm my own biggest enemy  
Yeah, all my empathy's a disaster  
Feelin' somethin' like a scaly thing  
Wrapped too tightly 'round my own master  
My friends are  
gettin' bored of me  
Sayin' I fell in love with a stranger  
I don't know what they all think of me  
But in reality I don't even  
Remember anything but thinkin' you're the one  
And I can force a future like it's nothin', so I  
Just hate everybody  
Well then why can't I go home without somebody?  
And really I could fall in love with anybody  
Who don't want me, so I just keep sayin'  
I hate everybody  
But maybe I, maybe I don't  
I know I've got a tendency  
To exaggerate what I'm seein'  
And I know that it's unfair on me  
To make a memory  
Out of a feelin'  
It's 'cause I notice every single thing  
That's ever happening in the moment  
And I don't know why it's consumin' me  
Because honestly all I know is—  
Infatuations, observation with a cause  
But none of it is love so while I'm waitin' for it I'll hate everybody  
Well then why can't I go home without somebody?  
And really I could fall in love with anybody  
Who don't want me, so I just keep sayin'  
I hate everybody  
But maybe I, maybe I don't  
If I could make you love me  
Maybe you could make me love me  
And if I can't make you love me  
Then I'll just hate everybody  
Everybody  
Well then why can't I go home without somebody?  
And really I could fall in love with anybody  
Who don't want me, so I just keep sayin'  
I hate everybody  
But maybe I, maybe I don't
