

When the fellas, talk to my girl I ain't with it
I ain't with it, I ain't with it, I ain't with it
I ain't with it, I ain't with it, I ain't with it
I ain't with it, I ain't with it, I ain't with it
I ain't with it, I ain't with it, I ain't with it
