

Who Wants to Live Forever

Queen

There's no time for us
There's no place for us
What is this thing that builds our dreams, yet slips away from us
Who wants to live forever Who wants to live forever
Ooh There's no chance for us
It's all decided for us
This world has only one sweet moment set aside for us
Who wants to live forever
Who wants to live forever
Ooh
Who dares to love forever
Ooh
When love must die
But touch my tears with your lips
Touch my world with your fingertips
And we can have forever
And we can love forever
Forever is hour today
Who wants to live forever
Who wants to live forever
Forever is hour today
Who waits forever anyway
