

Train in Vain

The Clash

You say you stand by your man
Tell me something, I don't understand
You said you loved me and that's a fact And then you left me, said you felt trapped
Well some things you can't explain away
But my heartache's in me till this day
You didn't stand by me No, not at all
You didn't stand by me No way
All the times, when we were close
I'll remember these things the most
I see all my dreams come tumbling down
I can't be happy without you 'round
So alone I keep the wolves at bay
And there is only one thing that I can't say
You didn't stand by me
No, not at all
You didn't stand by me No way
You must explain why this must be Did you lie when you spoke to me? Did you stand by me?
No, not at all Now I got a job but it don't pay
I need new clothes, I need somewhere to stay But without all of these things I can do
But without your love, I won't make it through
But you don't understand my point of view
I suppose there's nothing I can do
You didn't stand by me
No, not at all
You didn't stand by me
No way You didn't stand by me No, not at all
You didn't stand by me
No way
You must explain why this must be
Did you lie when you spoke to me?
Did you stand by me?
Did you stand by me?
No, not at all
Did you stand by me?
No way
Did you stand by me?
No, not at all
Did you stand by me?
No way
