Always workin' OT, overtime and outta town
Things is crazy back home, it kills me that I'm not around
I think we gettin' too deep, ain't no party on the weekend
Upstairs I got Xans in an Advil bottle, I don't take them shits
But you do, so I got 'em

Got the club going up, on a Tuesday
Got your girl in the cut, and she aint choosey
Club going up, on a Tuesday
Got your girl in the cut, and she aint choosey
Club going up, on a Tuesday
Got your girl in the cut, and she aint choosey
Club going up, on a Tuesday
Got your girl in the cut, and she aint choosey
Club going up, on a Tuesday
Got your girl in the cut, and she aint choosey
Club going up, on a Tuesday
Got your girl in the cut, and she aint choosey
Club going up, on a Tuesday
Got your girl in the cut, and she aint choosey

Club going up, on a Tuesday
Got your girl in the cut, and she aint choosey
Club going up, on a Tuesday
Got your girl in the cut, and she aint choosey
Club going up
Got the club going up
Got the club going up
