

Sugarcane

New Order

(Verse)

From my head to my toes
I can hardly believe the things that I read are not
That it's hard, fly it in your plane and drive it in your car
You're a superstar, yes you are,
Signing autographs, making people laugh
You'll go far, clever boy,
Girls just wanna be with you, lawyers wanna deal with you.(Chorus)
Why don't you wake up
And stop what you're doing right now?
You gotta be true.
You know you don't live forever
Hey, man, it's gotta be right.
Wake up right now, stop what you're doing,
You've gotta be true,
You know you don't live forever,
Hey, man, it's gotta be right.

(Verse)

Write a book about your life,
I can hardly believe the things that you need at home
With your wife, you treat it like a game, but this made you pretty fame
With perfect hair and your clothes,
It's just another day in a life of a superstar.
It's gotta be the way, it's the same, no matter who you are.(Chorus)
Why don't you wake up
And stop what you're doing right now?
You gotta be true.
You know you don't live forever
Hey, man, it's gotta be right.
Wake up right now, stop what you're doing,
You've gotta be true,
You know you don't live forever,
Hey, man, it's gotta be right.

(Bridge)

Take care over what you do,
You gotta take care of what you are.
You gotta take care of what you're not,
You gotta take care of what you've got.(Chorus)
Why don't you wake up
And stop what you're doing right now?
You gotta be true.
You know you don't live forever

Hey, man, it's gotta be right.
Wake up right now, stop what you're doing,
You've gotta be true,
You know you don't live forever,
Hey, man, it's gotta be right. It's just another day in a life of a superstar.
It's gotta be the way, it's the same, no matter who you are.
It's just another day in a life of a superstar.
It's gotta be the way, it's the same, no matter who you are.
