

# Heard a Song (CFCF Remix)

## Kero Kero Bonito

I just put the radio on  
Heard a song, I can't stop thinking about it  
Though it didn't last very long, it's in my head  
Plus I didn't catch who it was  
But it sorta sounded like a big hit  
Are you gonna play it some more?  
Guess I'll keep on listening Cruising along in my new car  
Top down 'round the block, not too fast  
All I need is bass on the stereo  
So I turn it up and it goes like  
Oh-oh-oh-oh  
It's a beat so sweet that I stop in the middle of the street  
Then a kid runs up and he says,  
"I don't know you, but that sounds fresh"  
When I need a hand, no maps of where I am,  
I pick up the vibrations  
Where the music plays, all the time every day,  
Now I'm stuck on rotation I just put the radio on  
Heard a song, I can't stop thinking about it  
Though it didn't last very long, it's in my head  
Plus I didn't catch who it was  
But it sorta sounded like a big hit  
Are you gonna play it some more?  
Guess I'll keep on listening Oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh  
I think it went something kinda like  
Oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh  
I think it went something kinda like this  
I get back to my dominion  
And ask my friends their opinion  
I heard a song on the radio  
"Sounds cool, Sarah, how did it go?"  
Like oh-oh-oh-oh  
Oh-oh-oh-oh?  
"I don't know"  
Hm, well, if nobody can help me,  
Did I imagine this melody? When I need a hand, no maps of where I am,  
I pick up the vibrations  
Where the music plays, all the time every day,

Now I'm stuck on rotation I just put the radio on  
Heard a song, I can't stop thinking about it  
Though it didn't last very long, it's in my head  
Plus I didn't catch who it was  
But it sorta sounded like a big hit  
Are you gonna play it some more?  
Guess I'll keep on listening Oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh  
I think it went something kinda like  
Oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh  
I think it went something kinda like this I think it went something kinda like this  
I think it went something kinda like
