

# Secondhand Hurt

Devin Dawson

Share with me the blankets that you're wrapped in  
Because it's cold outside, cold outside, it's cold outside  
Share with me the secrets that you kept in  
Because it's cold inside, cold inside, it's cold inside  
And you're slowly shaking finger tips  
Show that you're scared like me so  
Let's pretend we're alone  
And I know you may be scared  
And I know we're unprepared  
But I don't care  
Tell me, tell me  
What makes you think that you are invincible?  
I can see it in your eyes that you're so sure  
Please don't tell me that I'm the only one that's vulnerable  
Impossible I was born to tell you I love you  
Isn't that a song already?  
I get a B in originality  
And it's true I can't go on without you  
Your smile makes me see clearer  
If you could only see in the mirror what I see  
Slow down girl -- you're not going anywhere  
Just wait around and see  
Maybe I am much more you never know what lies ahead  
I promise I can be anyone, I can be anything  
Just because you were hurt doesn't mean you shouldn't bleed  
I can be anyone, anything, I promise I can be what you need
