

# Love Don't Come Easy

## White Lion

There comes a time when baby you and me  
We gotta work it out whatever it will be  
It feels so right but somewhere deep inside  
You dont know how you feel you dont know if its realChorus:  
Do you want it  
Do you need it  
'cause Love don't come easy  
Do you want it  
Do you need it  
'cause Love dont come easy  
There comes a time when you wake up one day  
Not knowing if our love will take us all the way  
And suddenly Oh you feel you must decide  
If we should carry on with what we've just begun  
You know that it aint always easy  
You know that it aint always right  
When love finds a place in your heartChorusYou can walk out through this open door  
Just like so many times before  
And if you don't find what you're looking for  
You may be lost forevermoreOh yeah  
Oh you know that it ain't always easy  
You know that it ain't always right  
When love finds a place in your heart  
There comes a time  
When baby you should know  
If we're gonna make it  
You gotta let it showI can't wait to find out in the end  
That you will not be standing  
Right here by my sideChorus
