

# Don't Worry (feat. Ray Dalton) [Radio Version]

[Madcon](#)

Oh, we can own the night  
Don't worry about a thing  
Don't worry about a thing Oh, we can own the night  
Don't worry about a thing  
Don't worry about a thing  
Don't worry about a thing I know we'll be alright  
Don't worry about a thing  
Don't worry about a thing  
Don't worry about a thing I'll take you to the future  
Forget about the past  
You can keep all of your secrets  
I swear that I won't ask  
Let go of all your troubles  
I don't care where you've been  
The only thing that matters now  
Is where the night will end Them bright big lights are shining on us  
That beat so tight it makes you want to  
Get up, get down like there's no tomorrow  
Like there's no tomorrow  
Like there's no tomorrow... Oh, we can own the night  
Don't worry about a thing  
Don't worry about a thing  
Don't worry about a thing I know we'll be alright  
Don't worry about a thing  
Don't worry about a thing  
Don't worry about a thing  
Oh, we can own the night  
Don't worry about a thing  
Don't worry about a thing  
Don't worry about a thing Let's get down to business  
And show me what you got  
Just keep the record spinning  
The music never stops You want to live forever  
And reach some of the stars  
Let's take it to next level  
Just lite the spaceship up Them bright big lights are shining on us  
That beat so tight it makes you want to  
Get up, get down like there's no tomorrow  
Like there's no tomorrow  
Like there's no tomorrow... Oh, we can own the night

Don't worry about a thing  
Don't worry about a thing  
Don't worry about a thing I know we'll be alright  
Don't worry about a thing  
Don't worry about a thing  
Don't worry about a thing Oh, we can own the night  
Don't worry about a thing  
Don't worry about a thing  
Don't worry about a thing Yeah,  
On the rooftop surrounded by the stars  
And the view's hot  
Ain't nobody thinking about what you got  
Everything's our, want to dip?  
Get a new spot Don't worry, don't worry  
The night never ends  
No hurry no hurry  
Shorty look thick  
So the lines get blurry  
And the night's in your palm  
So we might get dirty  
DJ let the beat play  
Make a heat wave  
When you replay this  
Tonight we gone party like it's d-day  
Young and free saying  
"This the one" on my CK shirt  
The Moon is the light  
Sky is the ceiling  
The low is the base  
And the high is the feeling  
The world is the club  
All in because we can  
This on for the books  
Don't worry bout a "thang" Oh, we can own the night  
Don't worry about a thing  
Don't worry about a thing  
Don't worry about a thing I know we'll be alright  
Don't worry about a thing  
Don't worry about a thing  
Don't worry about a thing Don't worry about a thing  
Don't worry about a thing C'mon  
Oh, we can own the night  
Don't worry about a thing  
Don't worry about a thing  
Don't worry about a thing
