

# Say You Like Me

## We the Kings

She's the girl that no one ever knows  
And I say hi but she's too shy to say hello  
She's just waiting for that one to take her hand & shake her up  
I bet I could wish my heart was always on her mind  
'Cause she's on mine like all day, all the time  
Forget me not, forget me now  
I've come too far to turn around, I'm here tonight 'Cause I'm never going down, I'm never giving  
up  
I'm never gonna leave so put your hands up  
If you like me then say you like me  
I'm never going down, I'm never giving up  
I'm never gonna leave so put your hands up  
If you like me then say you like me  
Whoa oh oh...  
She's the girl that no one ever knows  
Works a double just to buy her clothes  
Nicotine & faded dreams  
Baby, just believe there's no one else like me 'Cause I'm never going down, I'm never giving up  
I'm never gonna leave so put your hands up  
If you like me then say you like me  
I'm never going down, I'm never giving up  
I'm never gonna leave so put your hands up  
If you like me then say you like me  
Whoa oh oh... It's time to fall into my arms  
'Cause I've been waiting for too long  
You're an angel, grab your halo  
And lets fly tonight 'Cause I'm never going down, I'm never giving up  
I'm never gonna leave so put your hands up  
If you like me then say you like me  
'Cause I'm never going down, I'm never giving up  
I'm never gonna leave so put your hands up  
If you like me then say you like me  
I'm never going down, I'm never giving up  
I'm never gonna leave so put your hands up  
If you like me then say you like me  
Whoa oh oh...  
Just say you like me
