Swing yo muthafuckin fist and beat 'em in da mosh pit Here I come, an only son
I'm goin' straight out da ghetto to no.1
I'm gettin' higher, I'm on fire
So all you haters better get ready to retire I'm on da scene, I keep it mean
I went from havin' no cheddah to bling, bling
I got some ice, I'm never nice
And I'm a killa, so don't make me say it twice Straight outta Memphis, can I get a witness
And I be lookin' for da chickens wit a thickness
I'm here forever, any kinda weather
You say you don't take advice, you fuckin' betta My anger's swellin', my hate is dwellin'
I might be naughty or nice, there ain't no tellin'
My mind is trashed, I'm about to blast
Not even a hero can save your fuckin' ass Throw 'em in da mosh pit, stomp 'em in da mosh pit

Swing yo muthafuckin fist and beat 'em in da mosh pit
Throw 'em in da mosh pit, stomp 'em in da mosh pit
Swing yo muthafuckin fist and beat 'em in da mosh pit
See dat Lil Wyte, I am from da bay
I do not play, you best ta pray
Dis is my time, I'm 'bout ta blind
I'm smokin' pine, I am so high
I'm 'bout ta ride, better not collide
'Cause if I see you, I'm creepin' up from behind
You betta hide, you on my side
You in my hood and I know I'm up on yo mind
I'll break it down, just like a pound
Of some of the prettiest ghetty tha you done found
I am the man, you are the lame
I'll fuck you up worse than the effect of a plane
This is the real, throw it like a field
Then get back off in da kitchen where you can chill
I roll wit killas, and drug dealas
And all the othas, I kick it wit 'bout dey skrillas
Throw 'em in da mosh pit
