

# Rich Nigga (feat. Lil Uzi Vert)

## YoungBoy Never Broke Again

Yes, I'm a rich nigga  
(Dubba-AA flex)  
Yes, I'm a rich nigga  
Yes, I'm a rich nigga Yes I'm a rich nigga, rich nigga, rich nigga  
I heard that you is a bitch nigga, bitch nigga  
Keep a 30 stick, nigga  
Bitches on my dick, nigga  
I patiently waited, for your ass to trip, nigga  
Fuck nigga, flip nigga  
You know that I'm lit, nigga  
Walkin' with the bands, so I could pay for the hit, nigga  
Diamond chain choker bitch, so I could not trip, nigga  
They changed on me so many times  
I cannot trust no one  
No worry, no you is a bitch, so you ain't goin' up now  
You ain't never bust a strap so we call that a Russ Russ  
I'm the type of nigga eat the ice when the whole cup done  
Diamonds they so big up in my chain, they look like mushrooms  
These niggas keep talking 'bout that smoke  
But they don't want none  
Heavy artillery on me, yeah did you got one gun  
You know my chain is gold, shine even when the whole sun-done  
If I wear all this shit at the same time, I'd weigh a whole ton Yes I'm a rich nigga, rich nigga,  
rich nigga  
I heard that you is a bitch nigga, bitch nigga  
Keep a 30 stick, nigga  
Bitches on my dick, nigga  
I patiently waited, for your ass to trip, nigga  
Fuck nigga, flip nigga  
You know that I'm lit, nigga  
Walkin' with the bands, so I could pay for the hit, nigga  
Diamond chain choker bitch, so I could not trip, nigga  
They changed on me so many times  
I cannot trust no one  
Where the whole team?  
Wanted you to know that I copped it  
Niggas they know that I stay with the rocket  
Still they be hating, but know I ain't stoppin'  
Shit we do these rappers copy  
Sauced up, I'm a trendin' topic  
Step on the scene, they looking and watching  
Go up that gang, like fuck what they hidin' (gang)

Used to be jumpin' them fences  
Put my face down, and now that I'm in it  
You know I stay strapped with that glizzy  
17, I got locked in that prison  
Wait, hold on one minute (hol' on)  
You go wit' your moves, you know you gon' get it  
Make me drop a 50  
Leavin' the scene with blood on my tennis  
Yes I'm a rich nigga, rich nigga, rich nigga  
I heard that you is a bitch nigga, bitch nigga  
Keep a 30 stick, nigga  
Bitches on my dick, nigga  
I patiently waited, for your ass to trip, nigga  
Fuck nigga, flip nigga  
You know that I'm lit, nigga  
Walkin' with the bands, so I could pay for the hit, nigga  
Diamond chain choker bitch, so I could not trip, nigga  
They changed on me so many times  
I cannot trust no one
