Demons

Imagine Dragons

When the days are cold and the cards all fold And the saints we see are all made of gold When your dreams all fail and the ones we hail Are the worst of all and the blood's run staleI want to hide the truth, I want to shelter you But with the beast inside, there's nowhere we can hide No matter what we breed, we still are made of greed This is my kingdom come, this is my kingdom comeWhen you feel my heat, look into my eyes It's where my demons hide, it's where my demons hide Don't get too close, it's dark inside It's where my demons hide, it's where my demons hide At the curtain's call is the last of all When the lights fade out, all the sinners crawl So they dug your grave and the masquerade Will come calling out at the mess you madeI Don't want to let you down, but I am hell bound Though this is all for you I don't want to hide the truth No matter what we breed, we still are made of greed This is my kingdom come, this is my kingdom comeWhen you feel my heat, look into my eyes It's where my demons hide, it's where my demons hide Don't get too close, it's dark inside It's where my demons hide, it's where my demons hideThey say it's what you make, I say it's up to fate It's woven in my soul, I need to let you go Your eyes, they shine so bright, I want to save their light I can't escape this now, unless you show me how When you feel my heat, look into my eyes It's where my demons hide, it's where my demons hide Don't get too close, it's dark inside It's where my demons hide, it's where my demons hide Song Discussions is protected by U.S. Patent 9401941.
