

# Who's Gonna Ride Your Wild Horses

## Garbage

You're dangerous 'cause you're honest  
you're dangerous, you don't know what you want  
well you left my heart empty as a vacant lot  
for any spirit to hauntHey hey sha la la  
hey heyYou're an accident waiting to happen  
you're a piece of glass left there on the beach  
well you tell me things i know you're not supposed to  
then you leave me just out of reachHey hey sha la la  
hey hey sha la laWho's gonna ride your wild horses  
who's gonna drown in your blue sea  
who's gonna ride your wild horses  
who's gonna fall at the foot of thee  
Well you stole it 'cause i needed the cash  
and you killed it 'cause i wanted revenge  
well you lied to me 'cause i asked you to  
baby, can we still be friendsHey hey sha la la  
hey hey sha la laWho's gonna ride your wild horses  
who's gonna drown in your blue sea  
who's gonna ride your wild horses  
who's gonna fall at the foot of theeOh, the deeper i spin  
oh, the hunter will sin for your ivory skin  
took a drive in the dirty rain  
to a place where the wind calls your name  
under the trees the river laughing at you and me  
hallelujah, heavens white rose  
the doors you open  
i just can't close  
Don't turn around, don't turn around again  
don't turn around, your gypsy heart  
don't turn around, don't turn around again  
don't turn around, and don't look back  
come on now love, don't you look backWho's gonna ride your wild horses  
who's gonna drown in your blue sea  
who's gonna taste your salt water kisses  
who's gonna take the place of meWho's gonna ride your wild horses  
who's gonna tame the heart of thee
