You're dangerous 'cause you're honest you're dangerous, you don't know what you want well you left my heart empty as a vacant lot for any spirit to hauntHey hey sha la la hey heyYou're an accident waiting to happen you're a piece of glass left there on the beach well you tell me things i know you're not supposed to then you leave me just out of reachHey hey sha la la hey hey sha la laWho's gonna ride your wild horses who's gonna drown in your blue sea who's gonna ride your wild horses who's gonna fall at the foot of thee Well you stole it 'cause i needed the cash and you killed it 'cause i wanted revenge well you lied to me 'cause i asked you to baby, can we still be friendsHey hey sha la la hey hey sha la laWho's gonna ride your wild horses who's gonna drown in your blue sea who's gonna ride your wild horses who's gonna fall at the foot of theeOh, the deeper i spin oh, the hunter will sin for your ivory skin took a drive in the dirty rain to a place where the wind calls your name under the trees the river laughing at you and me hallelujah, heavens white rose the doors you open i just can't close Don't turn around, don't turn around again don't turn around, your gypsy heart don't turn around, don't turn around again don't turn around, and don't look back come on now love, don't you look backWho's gonna ride your wild horses who's gonna drown in your blue sea who's gonna taste your salt water kisses who's gonna take the place of meWho's gonna ride your wild horses who's gonna tame the heart of thee
