

Voodoo Doll

Fergie

I don't even like you,
Why'd you want to go and make me feel this way?
And I don't understand what's happened,
I keep saying things I never say. I can feel you watching even when you're nowhere to be seen,
I can feel you touching even when you're far away from me. Tell me where you're hiding your
voodoo doll 'cause I can't control myself,
I don't wanna stay, I wanna run away but I'm trapped under your spell.
And it hurts in my head and my heart and my chest,
And I'm having trouble catching my breath.
Ooh 2x Won't you please stop loving me to death? I don't even see my friends no more,
'Cause I keep hanging out with you.
I don't know how you kept me up all night,
Or how I got this tattoo. I can feel you watching even when you're nowhere to be seen,
I can feel you touching even when you're far away from me. Tell me where you're hiding your
voodoo doll 'cause I can't control myself,
I don't wanna stay, I wanna run away but I'm trapped under your spell.
And it hurts in my head and my heart and my chest,
And I'm having trouble catching my breath. Ooh Won't you please stop loving me to
death? Every time you're near me,
Suddenly my heart begins to race.
Every time I leave,
I don't know why my heart begins to break.
Tell me where you're hiding your voodoo doll 'cause I can't control myself,
I don't wanna stay, I wanna run away but I'm trapped under your spell.
And it hurts in my head and my heart and my chest,
And I'm having trouble catching my breath. Ooh Won't you please stop loving me to death?
