

Bulletproof

12 Stones

The blood is in the water
The cuts no longer bring me down
Don't you even bother
I've seen enough to take you down Love, hate, pride
Bottled up inside
Let it go
I'm gonna let it go (bang) I'm feeling super human
(bang) I'm invincible
I'm bulletproof
(bang) I'm on a revolution
(bang) I'm invincible
I'm bulletproof
Don't you know I'm bulletproof
The fight has made me stronger
I could never turn back now
Don't you point the finger
Your words no longer bring me down I'm finally taking over
The truth has surfaced all around
The days are going under
I have risen up and can't be found Love, hate, pride
Bottled up inside
Let it go
I'm gonna let it go (bang) I'm feeling super human
(bang) I'm invincible
I'm bulletproof
(bang) I'm on a revolution
(bang) I'm invincible
I'm bulletproof
Don't you know I'm bulletproof
[Instrumental] SUPERHUMAN
REVOLUTION Love, hate, pride
Bottled up inside
Let it go
Gonna let it go (bang) I'm feeling super human
(bang) I'm invincible
I'm bulletproof
(bang) I'm on a revolution
(bang) I'm invincible
I'm bulletproof (bang) I'm feeling super human
(bang) I'm invincible
I'm bulletproof
(bang) I'm on a revolution

(bang) I'm invincible
I'm bulletproof Love, hate, pride
Bottled up inside
Love, hate, pride
Bottled up inside
Let it go
I'm gonna let it go
