Don't Let the Sun Go Down On Me

George Michael & Elton John

I can't light No more of your darkness All my pictures Seem to fade to black and whiteI'm growing tired And time stands still before me Frozen here On the ladder of my lifeIt's much too late To save myself from falling I took a chance And changed your way of lifeBut you misread My meaning when I met you Closed the door And left me blind by the light Don't let the sun go down on me Although I search myself it's always someone else I see I'd just allow a fragment of your life to wander free But losing everything is like the sun going down on me {Ladies and gentlemen, Mr. Elton John!}I can't find Oh, the right romantic line But see me once And see the way I feelDon't discard me, baby don't Just because you think I mean you harm Just because you think I mean you harm, oh But these cuts I have (cuts I have) They need love (they need love, they need love), to help them heal Oh, don't let the sun go down on me Although I search myself it's always someone else I see I'd just allow a fragment of your life to wander free, oh Cause' losing everything is like the sun going down on me Don't let the sun go down on me Although I search myself it's always someone else that I see, yeah I'd just allow a fragment of your life to wander free baby, oh Cause' losing everything is like the sun going down on me {Mr. Elton John} Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
