## **Cry With You**

## **Hunter Hayes**

When you try not to look at me
Scared that I'll see you hurting
You're not hiding anything, no
And frankly it's got me worried
Nobody knows you better than I do
I keep my promises, I'm fighting for youYou're not alone
I'll listen till your tears give out

You're safe and sound, I swear that I won't let you down

What's hurting you I, I feel it too

I mean it when I say

When you cry, I cry with you, with you

I'm not going any place

I just hate to see you like this

No, I can't make it go away

Oh, but keeping it inside won't fix it

I can't give you every answer that you need

But I wanna hear everything you wanna tell meYou're not alone

I'll listen till your tears give out

You're safe and sound, I swear that I won't let you down

What's hurting you I, I feel it too

I mean it when I say

When you cry, I cry with you, oh

Yeah, I cry with youYou need love tough enough to count on

So here I am

You're not alone

I'll listen till your tears give out

You're safe and sound, I swear that I won't let you down

What's hurting you I, I feel it too

I mean it when I say

When you cry, I cry

I mean it when I say

When you cry, I cry with you, oh

You're not alone, oh no, baby
