

# Hey Mambo (with Kid Creole & The Coconuts)

Barry Manilow

Nobody knew who he really was  
But they called him Mambo when he played  
He became the king, king of Latin swing  
And oh, the music that he madeHey mambo  
Did your mama teach you that  
Hey mambo  
Did she know what she begatThey used to come in their fancy threads  
And he always turned them inside out  
They would jam the floor, they would beg for more  
And when they got it they would shout  
Hey mambo  
Did your mama teach you that  
Hey mambo  
Did she know what she begat  
Take it away  
Hey mambo  
Did your mama teach you that  
Hey mambo  
Did she know what she begat  
Take it away [Incomprehensible]  
Do it againHey mambo, hey mambo  
Hey mambo, hey mambo  
Hey mambo
