Time in Between

Francesca Battistelli

You were there when your Father said Let there be light You obeyed when He whispered Son, You have to leave tonight To spend nine months in a mothers womb Three days in a borrowed tomb(Chorus One) But it 's the time in between That brings me to my knees Knowing you came for me And all that I can't be I'm amazed, so amazed And I thank You for the time in between Don't take much for this crazy world To rob me of my peace And the enemy of my soul Says You 're holding out on me So I stand here lifting empty hands For you to fill me up again(Chorus Two) But it 's the time in between That I fall down to my knees Waiting on what You'll bring And the things that I can't see I know my song 's incomplete Still I'll sing in the time in betweenSo many ways Your love has saved the day And I'm grateful for them all (Chorus 3) But it 's the time in between The middle of two thieves That says everything It 's the reason I believe I'm amazed, so amazed And I thank you for the time in between Oh Lord, I thank you for the time in between
