

Pussy

Rammstein

Too big, too small?
Size does matter, after all
Zu groß, zu klein?
Er könnte etwas größer sein Mercedes-Benz und autobahn
Alleine in das Ausland fahren Reise, reise fahrvergnügen
Ich will nur spaß, mich nicht verlieben Just a little bit, just a little... bitch
You've got a pussy, I have a dick
So what's the problem?
Let's do it quick
So take me now before it's too late
Life's too short, so I can't wait
Take me now, oh, don't you see?
I can't get laid in Germany
Too short, too tall?
Doesn't matter, one size fits all
Zu groß, zu klein? Der Schlagbaum sollte oben sein
Schönes fräulein, lust auf mehr
Blitzkrieg mit dem fleischgewehr
Schnaps im kopf, du holde braut Steck bratwurst in dein sauerkraut
Just a little bit be my little bitch
You've got a pussy, I have a dick
So what's the problem?
Let's do it quick So take me now before it's too late
Life's too short, so I can't wait
Take me now, oh, don't you see?
I can't get laid in Germany
Germany, Germany
You've got a pussy, I have a dick
So what's the problem?
Let's do it quick! You've got a pussy, I have a dick
So what's the problem?
Let's do it quick
You've got a pussy, I have a dick
So what's the problem?
Let's do it quick
So take me now before it's too late
Life's too short, so I can't wait!
Take me now, oh, don't you see?
I can't get laid in Germany
