## Crazy (Laidback Luke Bootleg)

## **Gnarls Barkley**

I remember when. I remember, I remember when I lost my mind There was something so pleasant about that place Even your emotions have an echo in so much space And when you're out there without care Yeah I was out of touch But it wasn't because I didn't know enough I just knew too muchDoes that make me Crazy Does that make me Crazy Does that make me Crazy Possibly And I hope that you are having the time of your life But think twice, that's my only advice Come on now Who do you, who do you, who do you Who do you think you are Ha ha ha bless your soul You really think you're in controlI think you're Crazy I think you're Crazy I think you're Crazy Just like meMy heroes had the heart to lose their lives out on the limb All I remember is thinking I want to be like them Ever since I was little, ever since I was little It looked like fun And it's no coincidence I've come And I can die when I'm done But maybe I'm Crazy Maybe you're Crazy Maybe we're Crazy Probably
