

Getting Away With It

Johnny Marr

I've been walking in the rain just to get wet on purpose
I've been forcing myself not to forget just to feel worse
I've been getting away with it all my life
I hate that mirror, it makes me feel so worthless
I'm an original sinner but when I'm with you I couldn't care less
I've been getting away with it all my life
I've been getting away with it all my life
However I look it's clear to see
I love you more than you love me
However I look it's clear to see
I love you more than you love me
I love you more than you love me
However I look it's clear to see
I thought I gave up falling in love a long long time ago
I guess I like it but I can't tell you, you shouldn't really know
And it's been true ... all my life
Yes, it's been true ... all my life
However I look it's clear to see
I love you more than you love me
However I look it's clear to see
I love you more than you love
I love you more than you love me
However I look it's clear to see
