Doncamatic!Download me
Make up for the time you wasted
Come slowly
And claim back the boy you left behind
Close the white book
unplug the brain from the game
Cause' its time to wipe out til' the stars get on the fame
The song is not the same when we'reAll played out, played out, all played out,
they say the memories all fade out,
fade out, all played out
Tell me did you feel that?
Don't slow down
even if it's only to escape
Just down, low down
Before somebody steals your place
Close the white book, unplug the brain from the game
Cause' its time to wipe out til' the stars get on the fame
Then the conversation's over, we'reAll played out, played out, all played out,
(Talk to me, Talk to me, Talk to me, talk to me)
You see, the the memories all played out, fade out, all played out
(Talk to me, Talk to me, Talk to me, talk to me)
Tell me did you feel that?Tell me did you feel that?DONCAMATIC!
Down lowly
Make up for the time you wasted
Come slowly
And claim back the boy you left behind
Close the white book
unplug the brain from the game
It's time to wipe out till the bar get on the fameAll played out, played out, all played out,
(Talk to me, Talk to me, Talk to me, talk to me)
You see, the the memories all played out, fade out, all played out
(Talk to me, Talk to me, Talk to me, talk to me)
The song is not the same when we'reAll played out, played out, all played out,
(Talk to me, Talk to me, Talk to me, talk to me)
The song is not the same when we're
All played out, played out, all played out,
(Talk to me, Talk to me, Talk to me, talk to me)
Tell me can you feel that?
