

Make Love

Chris Brown

I wanna make love (yeah)
I wanna make love to you baby
That's all I wanna do, oh girl
I can't get enough, ooooooh yeah, hey!
I'm loving you baby, that's all I wanna do
Girl I wanna love you, baby
Oh I wanna make love to you, yeah...
I said baby, baby, baby, wo-ah
I wanna make love to you, yeah yeah yeah...
Yeah baby, girl you look so good
You're all I can think about, the only one I can't be without, yeah
Everything you do, wo-ah (oh no)
Girl I swear I have no doubt, I'm gon' make you scream and shout
Girl I wanna love you, baby
Yeah I wanna make love to you, yeah
I said baby, baby, baby, yeah
I wanna make love to you, yeah yeah yeah
Baby girl, give me some, give me some loving, oh
yeah
I love the look on your face when I'm deep in love
All I need in my life, girl is your loving, yeah
Girl give me some, give me some loving, oh
Girl I wanna love you, baby
I wanna make love to you, yeah
I said baby, baby, baby
I wanna make love to you, yeah yeah yeah
Girl I now wanna make love to you
Yeah, yeah, yeah
Girl I now wanna make love to you
Wanna make love to you
