

# If I Was Your Man

Blake Shelton

If I was a cloud  
I'd make baby raindrops  
And they'd feed the treetops  
If I was a cloud If I was the sun  
I'd shine on the flowers  
And pass on the power  
If I was the sun If I was the moon  
I'd caress every ocean  
In celestial motion  
If I was the moon If I was a star  
Charmed and enchanted  
All wishes would be granted  
If I was a star  
If I was your man  
The kisses would linger  
I'd melt in your fingers  
If I was your man If I was your man  
We'd share every shower  
And wash away the hours, baby  
If I was your man If I was a song  
I'd reach all the people  
From barrooms to steeples  
If I was a song If I was a dream  
I'd be sweeter than honey  
I'd be bigger than money  
If I was a dream  
If I was your man  
We'd dance through the daisies  
They'd say we were crazy girl  
If I was your man If I was your man  
I'd pump you with this passion  
You'd get more than fashion, baby  
If I-I-I-I was your man  
You would not have to hurry  
I'd rub away your worries girl  
If I was your man If I was your man  
Then we'd be together  
Now and forever, baby  
If I was your man And if we were love  
We'd heal every nation  
We'd be on everybody's station  
If we were love If I was your man

Sweet lovin' man  
If I was your man  
If I was your man
