

# I've Been Losing You

a-ha

It wasn't the rain that washed away  
Rinsed out the colors of your eyes  
Putting the gun down on the bedside table  
I must have realized It wasn't the rain that made no difference  
And I could have sworn it wasn't me  
Yet I did it all so coldly almost slowly  
Plain for all to see Oh c'mon please now talk to me  
Tell me, things I could find helpful  
How can I stop now? Is there nothing I can do?  
I have lost my way, I've been losing you  
I can still hear our screams competing  
You're hissing your s's like a snake  
Now in the mirror stands half a man  
I thought no one could break It wasn't the rain that made no difference  
Nervously drumming on run away  
But I want the guilt to get me  
Thoughts to wreck me, preying on my mind So, please now talk to me  
Tell me, things I could find helpful  
How can I stop now? Is there nothing I can do?  
I have lost my way, I've been losing you Please now talk to me  
Tell me, things I could find helpful  
How can I stop now? Is there nothing I can do?  
Please now talk to me  
Tell me, tell me what to do helpful  
How can I stop now? Is there nothing I can do?  
I have lost my way, I've been losing you, you  
I've been losing you, you I've been losing you {That's right} Gotta run away from you
