

More Than a Woman

Tavares

Girl I've known you very well
I've seen you growing everyday
I never really looked before
but now you take my breath away. Suddenly you're in my life
a part of everything I do
you got me working day and night
just trying to keep a hold on you. Here in your arms I found my paradise
my only chance for happiness
and if I lose you now I think I would die. Oh say you'll always be my baby
we can make it shine, we can take forever
just a minute at a time
(minute at a time)

You are...

More than a woman, more than a woman to me
more than a woman, more than a woman to me
Oh, oh, oh, oh There are stories old and true
of people so in love like you and me
and I can see myself
let history repeat itself. Reflecting how I feel for you
thinking about those people then
I know that in a thousand years
I'd fall in love with you again. This is the only way that we should fly
this is the only way to go
and if I lose your love I know I would die.
Oh say you'll always be my baby
we can make it shine, we can take forever
just a minute at a time (minute at a time)

Oh, you are...

More than a woman, more than a woman to me
(yes you are baby)
more than a woman, more than a woman to me
(more than a woman)
More than a woman, more than a woman to me
(fades out)
