Your Love (Acoustic)

The Outfield

Josie's on a vacation far awayCome around and talk it overSo many things that I want to sayYou know I like my girls a little bit olderI just wanna use your love tonightI don't wanna lose your love tonightI ain't got many friends left to talk toNowhere to run when I'm in troubleYou know I'd do anything for youStay the night but keep it undercoverI just wanna use your love tonight, whoa

I don't wanna lose your love tonightTry to stop my hands from shakin"Cause somethin' in my mind's not makin' senseIt's been awhile since we were all aloneI can't hide the way I'm feelin'As you're leaving, please, would you close the door?And don't forget what I told you Just 'cause you're right, that don't mean I'm wrong

Another shoulder to cry upon
I just wanna use your love tonight, yeah
I don't wanna lose your love tonight
Yeah, I just wanna use your love tonight
I don't wanna lose your love tonight
I just wanna use your love tonight
I don't wanna lose your love tonight

(Lose your love)

(Lose your love)

Tonight (Lose your love)

I don't wanna lose (Lose your love tonight)

I don't wanna, I don't wanna, I don't wanna (Lose your love tonight)

No, no (Lose your love tonight)

(Lose your love tonight)

No, no (I don't wanna lose your love tonight)

(Lose your love tonight)
