

Walk On Water

Eddie Money

Well if I could walk on water
And if I could find some way to prove
If I could walk on water would you believe in me
My love is so true (Na, na, na, na, na, na, na, na, na, etc.) Well I'm no angel, now, I'll admit
I made a few bad moves I should regret
I hurt you once or so you said
Just one more chance is all you get Didn't mean to do you wrong again
Worse things have been done by better men
Baby, baby, don't, don't treat me this way
I know, yes, I've got to pay now, I'm still paying Well if I could walk on water
And if I could find some way to prove
If I could walk on water would you believe in me, my love is true
Na, na, na, na, na, na, na, na, oh All along, I told you lies
To err is human, forgive is divine
Don't be a fool, don't settle the score
Cause I can't take it no more, I can't take it Well if I could walk on water
And if I could find some way to prove
If I could walk on water would you believe in me, my love is true Well, if I could walk on water
(if I could)
Is that what I'm gonna have to do
If I could walk on water would be you believe in me, my love is so true Do I have to walk,
walk, walk on water for you Hey baby, baby, there's a little time, let's spend it together
We'll get over what we left behind, there's our future together
Yeah, well let's stay together (Guitar Solo)
Well, if I could walk on water
And if I could find some way to prove
If I could walk on water would you believe in me, my love is true My love is so true, do I have
to walk, oh, walk on water for you
If I had to walk, girl
If I had to walk, walk, walk
Do I have to walk on water, walk on water for you
Do I have to walk on water
Do I have to find some way to prove
Do I have to walk on water, walk on water for you
Do I have to walk on water
Do I have to find some way to prove
Yeah, yeah, walk on water, walk on water for you
