

# I Hate Love Songs

[Kelsea Ballerini](#)

I hate Shakespeare and Gosling and cakes with white frosting  
Two names in a heart-shaped tattoo  
I think cupid is stupid and violets are purple not blue  
I hate catching bouquets, the honeymoon phase  
And letterman jackets don't fit  
Your eyes can't hold stars and you'd die if your heart really skipped I hate love songs  
Yeah, I really do  
I hate love songs  
But I love you  
I hate pink hearts with glitter and Valentine's dinner  
And roses just die in a week  
We were drunk when we met, so we don't know our anniversary (whoops)  
And I'm far too vain to kiss in the rain  
The clouds, they aren't numbered to nine  
And you make me feel something but it sure as hell ain't butterflies I hate love songs  
Yeah, I really do  
I hate love songs  
But I love you, yeah Oh oh, I really do And I'll always love you but I don't have to sing it  
For worse or for better, don't rhyme  
They say I got the right one, so now I should write one  
But I'd rather just show you tonight  
I hate love songs  
Yeah, I really do  
I hate love songs  
But I love you, yeah  
I hate love songs  
The old and the new  
(I really do)  
I hate love songs  
But I love you
